SKILLS

JavaScript (React, Vue, Redux, jQuery, D3, Node, Electron, Jasmine), HTML5, CSS/SCSS, Jira, Git, Sketch

EXPERIENCE

Music Choice - Connected Devices

Horsham, PA | Remote

Application Developer

January 2021 - Present

- Develop a personalized music subscription streaming application for cable boxes using Javascript, ES6, Lightning.js Framework, HTML, LESS
- Code modular, reusable UI components with documentation and test coverage using Jasmine
- Work cooperatively and collaboratively with a team of 5 developers through daily stand-up meetings, pair-programming, and mob-programming
- Coordinate and strategize on-time feature delivery across multiple teams including product, backend, QA, automation, and deployment
- Communicate weekly and quarterly project reports to managers and directors

Comcast - 555 Platform

Philadelphia, PA | Remote

Software Engineer I

January 2019 - January 2021

- Design and develop reference applications for Web Real-Time Chat SDK using Sketch, React, Redux, TypeScript, HTML/JCX, SCSS, and Electron
- Serve as team's Frontend/UI specialist by reviewing and updating projects to company's design standards as well as providing daily assistance to teammates' frontend questions
- Facilitate stand-up meetings with fellow developers across multiple projects to discuss project status and strategize solutions to immediate problems

MacGuyver Media

Glenolden, PA | Remote

Full Stack Developer

January 2018 - January 2019

- Served as project lead on responsive, company website using Vue, HTML, SCSS, & Webpack
- Developed user-interface for filterable, live-updating, animated charts using jQuery & D3
- Created RESTful API endpoints and multi-relational database tables using Node, NaviCat, & MySQL

PERSONAL WEBSITE

John the Dev: johnthedevelop.com, github.com/johnmmcg/jmcg-webpage

- A professional webpage showcasing talents in front-end development and design
- Built on Vue featuring modular architecture, state manipulation, and animation sequences
- Customly configured for Heroku deployment to personally-owned domain
